

DISTRICT GRAND LODGE/CHAPTER OF SOUTH AFRICA WESTERN DIVISION

25 November 2020
COVID-19 - Update

To all Brethren and Companions

Our suspension of Masonic meetings in the Western Cape regrettably continues into the New Year. December/January is, in any event, the usual recess period for the majority of our Lodges and Chapters.

Requirements for the preparation of Lodge buildings to hold meetings again will shortly be circulated and unless present government regulations should change, we are planning **to commence masonic meetings again as from 1st February 2021.**

District Office. The District Office in preparing for the annual year end, will be closed from Friday 18th December until Wednesday 13th January 2021.

Do check regularly on our District Web Site, <http://freemasonrycape.net/> for latest updates and send any news you have to the District Office for loading onto the District website.

A special word of thanks to all Lodges that supported those less fortunate than ourselves and a special congratulation to Phoenix Lodge for their initiative in assisting the needy during COVID-19.

Do make full use of the UGLE on-line resource **SOLOMON** <https://solomon.ugle.org.uk/> affording you an easy option in maintaining your daily advance in masonic knowledge.

Keep well and stay safe

Ernest Malherbe
District Grand Master

Walter Marcus
Grand Superintendent
